

INFO FOR COACHES

Our goal is to eliminate the chance for small mistakes to become something much larger. To accomplish this we have “checks” and “reviews” at the State Tournament. Thank you for your support and efforts in making this event a huge success!

New in 2014: Online Registration

www.OutdoorNebraska.org

Please review registration guidelines. Coaches will use their Basic Archery Instructor Number (BAI#) to register archers. If you need your BAI# contact Alicia.Knust@Nebraska.gov

February 1: Pre-Registration Begins - Coaches can login, enter rosters and prepare for Registration

February 5 – March 5: Registration Opens – Coaches register rosters & select flights.

March 14-17: Late Registration – For those that missed Registration (*if room allows*)

*** Coaches can make roster/archer changes during registration period*

Flight times & archer shirt sizes will be chosen during Registration period(s).

If you have questions, contact aaron.hershberger@nebraska.gov for clarification.

Emphasis in 2014: Eligible Archers

Eligible archers are those that are enrolled and attend a NASP School. Archers shooting for a team and/or individual honors for a NASP School must be enrolled and attend that school. It is the responsibility of the coach and school to follow this rule. Failure to comply could jeopardize all team or school archers.

***** NASP Home School:** A group of students belonging to a home school association, within an ESU, where students are provided NASP archery instruction as part of their home school's curriculum. Only the home-schooled students of this association can compete as a team and/or for individual honors under the association's name.*

If you have questions, contact aaron.hershberger@nebraska.gov for clarification

Youth archers will score arrows. Please practice this skill with your students. Automated scoring system will again be used. Please remember: Shooter # (number) is non-transferable. This is the element that ties Individual scores to the appropriate School and Team in the automated system. If changes are necessary, a new Shooter # (number) will be issued by the Scoring Officials (only). If you have questions, contact aaron.hershberger@nebraska.gov for clarification.

Hi-Lights

COACHES REVIEW
